X-15 Makes First Torrance Visit

The fabulous North American X-15, first successful rocket driven aircraft, will be on display Saturday and Sunday in the parking area in front of the Space Age Travel offices, 21170 Hawthorne Blvd.

Appearance has been arranged by Owners C. T. Langstraat and T. C. Rupert, as one of the opening features for the new Torrance firm.

Invitations have been sent to Scott Crossfield, pilot of the X-15, representatives of nationwide transportation services, local dignitaries, North American officials and Air Force personnel.

Civil Air Patrol will have a campout and will provide security for the aircraft.

\$20,000 DISPENSARY
Relatives and the United Lutheran Board have erected a \$20,000 dispensary at Sano-yea, Liberia, as a memorial to the 40 persons killed in the crash there of the Johannesburg-New York air liner "Great Republic" on June 22, 1951. A leader in the enterprise, Mrs. Elizabeth Bowe of Glenbrook, Conn., widow of the pilots recounts its story in the December Reader's Digest.

DISPLAYED IN TORRANCE—Artist's sketch shows the fabulous X-15 rocket ship, capable of 3600 mph at 100 miles, that will be put on display Saturday and Sunday in Torrance.

Ship will be unveiled Saturday morning in the parking area in front of the Space Age Travel Agency, 21170 Hawthorne Blvd. Prominent civic dignitaries will attend.
